

DAF
079TRUCIOLATORE COMPATTO
A SPOGLIA VARIABILE

Compact Hogger with variable rake angle

Kompakt zerspaner mit variable Spanwinkel

Triturador compacto con ángulo de ataque variable

INFORMAZIONI TECNICHE / TECHNICAL INFORMATION

- Riaffilabile / Resharpener 7-10 volte / times
- n° di giri/RPM 5.000-6.000
- Avanzamento / Feed rate

MACCHINE / MACHINES

- Squadatrici / Squaring machine

APPLICAZIONI / APPLICATIONS

- Ottima finitura / Good finishing
- Adatto a medi e grandi lotti / Useful for medium and large batch

MATERIALI LAVORABILI / MACHINABLE MATERIALS

- Truciolare / Chipboard • MDF • Laminati / Laminated
- Materiale abrasivi / Abrasive Materials • Legno / Wood

Truciolatore con angolo di spoglia variabile per un'ottima durata di lavoro

Hogger with variable rake angle for optimum durability

Zerspaner mit variablem Spanwinkel für hervorragende Standzeiten

Triturador con ángulo de inclinación variable para una óptima duración de trabajo
